

# Good for cars. Great for your city.

## Environmentally Friendly

- We use advanced lighting controls and all LED lights to ensure every location can monitor and manage their everyday power usage.
- Our clear acrylic roof system allows for daylight harvesting so no lighting is required during most operational hours.
- Every location employs an advanced water reclaim system which not only uses up to 60% less fresh water than washing at home, it also keeps 100% of used water out of the storm system.

## Efficient Processing

- With a combination of our unique, high-capacity design and proven efficient site layout, Tommy's Express locations can process more than 200 vehicles per hour, keeping lines short and customers happy.

## World Class Facility and Operations

- The iconic Tommy's Express architecture is aesthetically appealing and an instantly identifiable landmark in cities across the country
- Every site is required to maintain our high standards of professionalism. Extensive training and regular auditing provides cities with a clean, professionally-run retail destination and a valuable community partner.

## Community Focused

- Every Tommy's Express location is part of a national franchise brand and is locally owned and operated, providing high national standards and a valuable community partner. Tommy's Express owners are encouraged to partner with local organizations for the benefit of the community.
